Established in 2005, Bar Pros have been consistently recognised as the region's leading supplier of an extensive and complete range of competitively priced, professional bar equipment.

Based in Dubai, UAE, Bar Pros warehouses and supplies all the equipment needed to set up and run a successful bar operation, holding stock of key lines and offering a next-day delivery service.

From bar essentials to industry-standard wine preservation systems, contemporary cocktail equipment to consumables and novelty items, Bar Pros offers a comprehensive range of equipment.

The Bar Pros range has been bolstered by the recent addition of retro-styled glassware and a new retail products offering.

Bar Pros also provides in-house branding allowing your selected items to be custom branded for volume orders or for individual requirements.

It is this flexible level of service and understanding of our customers' needs that has made Bar Pros the first choice for professional and contemporary bar equipment.

The One Stop Shop for Bar Professionals.

BP143

Wine Saver Concerto Black

World renowned Vacu Vin wine saver inc 4 rubber stopper to preserve opened wine bottles

BP241

Bottle Coaster

Black bottle coaster, fits standard 750 ml wine bottles.

History

It all began in 1983 when Mr Bernd Schneider, founder of Vacu Vin, came up with the idea for the Vacuum Wine Saver. His idea for the Wine Saver sprang directly from the taste of spoiled wine. Together with his brother John, an engineer, he developed a device to preserve opened bottles of wine. Today, the Vacuum Wine Saver is used in over 35 million households in more than 80 countries throughout the world. In 1986 Vacu Vin was founded to manufacture and distribute the Vacuum Wine Saver, soon to be followed by the introduction of many other innovative houseware products. Today, the Vacu Vin product range has proven its success by being granted over 20 international Design and Trade Awards.

Novelty

Looking for something different?

Below are just a few examples of our novelty range

A fast turnaround and professional service is provided.

Item Care

ACRYLIC & POLYCARBONATE

- Hand washing is recommended for our plastic drinking glasses and other drinkware items to retain their luster and quality.
- Acrylic drinking glasses and Polycarbonate drinkware items are dishwasher safe.
- Please still consult your dishwasher user's guide for a lower heat cycle to prevent damage.

MULE MUGS AND CUPS AND OTHER PLATED ITEMS

- Hand washing is recommended for all our plated items and drinkware.
- This will keep them in the best possible condition, we do not recommend any type of metal polish.

GLASSWARE

- Our glass range is dishwasher safe.
- Handwashing is recommended whenever possible.
- Please still consult your dishwasher user's guide for the correct setting.
